How to Study for Biology. Although biology is a mandatory class, it doesn't have to be a painful one to study for and get through. It is a subject that builds upon itself, so it's essential to understand the basic concepts before you can...

How to Study for Biology: 11 Steps (with Pictures) - wikiHow

Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.

University of Georgia

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.

Biology with Lab - Easy Peasy All-in-One High School

Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback.
