I've been working with the materials of the Salem Witch Trials of 1692 for so long as an academic historian, it's not surprising when people ask me if I've seen the play or film The Crucible, and what I think of it. Miller created works of art, inspired by actual events, for his own artistic/political intentions.

Irony is used extensively in The Crucible. Discuss three examples of irony in the play and the significance of each example. In The Crucible, by Arthur Miller, irony is used a number of times throughout the play. The main example of irony would probably be how the town seems and acts to be like a group of friends and a tight-knit community, but by the end of the play, the town has turned ...

On an APA-style reference page, the rules for titles are a little different. In short, a title you would italicize within the body of a paper will also be italicized on a reference page. However, a title you'd place in quotation marks within the body of the paper (such as the title of an article within a journal) will be written in normal lettering and will not be in quotation marks.

Regardless of the fact that the USN are pompous idiots who want to fixate on aircraft carriers re: the flush-deck USS United States etc., if we are going to have them, their island superstructures need to FOLD DOWN or somehow clear their flight decks so their full width can be used by larger planes like even 4-engined C-130s.. This is Not a New Problem...
