

Excellence In Theory 1 Answer Key

Excellence In Theory 1 Answer

Strategic management involves the formulation and implementation of the major goals and initiatives taken by a company's top management on behalf of owners, based on consideration of resources and an assessment of the internal and external environments in which the organization competes. Strategy is defined as "the determination of the basic long-term goals of an enterprise, and the adoption ...

Virtue Ethics. Virtue ethics is a broad term for theories that emphasize the role of character and virtue in moral philosophy rather than either doing one's duty or acting in order to bring about good consequences. A virtue ethicist is likely to give you this kind of moral advice: "Act as a virtuous person would act in your situation."

Virtue Ethics | Internet Encyclopedia of Philosophy

My research falls into six major areas, all related to morality. Please click on one to see an overview and representative publications. 1) Moral Psychology (particularly intuitionism and the social intuitionist model) 2) Business, and business ethics (a social psychological approach) 3) Political psychology (particularly the moral foundations of ideology)
