Located in beautiful Utah, Southern Utah University offers more than 100 college degree programs (Associate, Bachelor, and Master), with small class sizes.

Southern Utah University | Cedar City, UT | Bachelor ...

+1 This is how I've always done it. I believe this is the correct answer to the original question and should be marked as so. The trick, as @MTS hints at, is that you actually write to two files: one that gets created per each command/line (hence a single ">" that overwrites each time), and then you type that line to the screen (type), and finally, you type it again and redirect its output ...
