Listening To Western Music Exercise

Classical music is art music produced or rooted in the traditions of Western culture, including both liturgical (religious) and secular music. While a more precise term is also used to refer to the period from 1750 to 1820 (the Classical period), this article is about the broad span of time from before the 6th century AD to the present day, which includes the Classical period and various other ...

Sociological Aspects of Music Psychology Human beings are not meant to live in isolation. Our complex mammalian nature, along with a host of other emotional, physical and spiritual drives, cause us to form groups. The smallest social unit is the family, which spawns larger groups, communities, and finally nations.

Hello sreekanthskn, Thank you for the interesting question. As you probably know, adjective order in English has tendencies rather than fixed rules - as you can see from the information above, which says 'usually' rather than 'always' in many places. I've thought about your question a little and it seems to me that while the order you suggest is a good rule of thumb, adjectives which describe ...
