Answer Keys: Teachers and students use these answer keys together to work through the student edition exercises, graphic organizer activities, and unit assessments. Graphic Organizers: Teachers can download one of nine flexible graphic organizers suggested for that lesson activity and make copies for each student.

The McGraw-Hill Companies, Inc.

The correct answer is monopolistic competition. The products are similar but differentiable and the firms are competing with each other to attain some level of "brand loyalty." This explains the millions spent on marketing by textbook companies each year trying to persuade various academic departments to adopt their textbook.
