A public-private partnership (PPP, 3P or P3) is a cooperative arrangement between two or more public and private sectors, typically of a long-term nature. Governments have used such a mix of public and private endeavors throughout history. However, the late 20th century and early 21st century [when?] have seen a clear trend towards governments across the globe making greater use of various ...

Bogus solicitors. It is a criminal offence for someone to call themselves a solicitor or act as a solicitor if they are not on the roll of solicitors. We call these people "bogus solicitors" and we may prosecute them. We publish alerts about bogus solicitors.. All genuine solicitors are on the roll of solicitors, which we administer, and will be able to give you their roll number (sometimes ...

The AHRQ QIs are one measure set, based on administrative data that can be used to evaluate the quality of clinical services. Most of the QIs focus on health care outcomes rather than rates of processes of care followed. The measures, their extensive documentation, and associated codes for SAS® and Windows® reside in the public domain and are available for download at no cost to the user.
