Reading Comprehension Worksheets - EnglishForEveryone.org

We believe that to succeed at reading comprehension questions--problems that lack the type of explicitly objective concepts that appear in the mathematics section--students must practice in order to ascertain a nuanced feel for the common problem types.

GMAT Reading Comprehension Practice Questions

Comprehension is the understanding and interpretation of what is read. To be able to accurately understand written material, children need to be able to (1) decode what they read; (2) make connections between what they read and what they already know; and (3) think deeply about what they have read.

Comprehension | Reading Rockets

The Reading Comprehension section tests your ability to read and comprehend both academic and non-academic texts.. After you read each passage, read the questions that follow it and the four possible answers. Choose the best answer by filling in the space — see sample answer below — that corresponds to the letter of the answer you have chosen.
