For anyone considering switching to Saxon Math from another math curriculum, we recommend printing a free copy of a Saxon Math placement test. There are five different tests to choose from.

### **Free Saxon Math Placement Tests - Learning Things**

In some situations, you can use come or go to show indirectly whether you will be in a place that you are referring to. For example, if you say 'Are you going to John's party?', you are not showing whether you yourself are going to the party. However, if you say 'Are you coming to John's party?', you are showing that you will definitely be there.
