What "exactly" an API key is used for depends very much on who issues it, and what services it's being used for. By and large, however, an API key is the name given to some form of secret token which is submitted alongside web service (or similar) requests in order to identify the origin of the request.

The adjective hard has two different adverbs, and they express opposite meanings. Let's look. The adverb hard is used to modify a verb and means that the action is being done very intensely. So, to work hard, means that you are making a big effort at your work and dedicating copious energy.

Are you working hard or hardly working? - MasterKey English

1. Answer, rejoinder, reply, response, retort all mean words used to meet a question, remark, charge, etc. An answer is a return remark: an answer giving the desired information. A rejoinder is a quick, usually clever answer or remark made in reply to another's comment, not to a question. Reply usually refers to a direct or point-by-point response to a suggestion, proposal, question, or the ...
